CONTENTS

Editorial VII

ORIGINAL ARTICLES

Pearl necklace sign and other optical coherence tomography findings in retinal vein occlusion at the first visit
Karatas E, Ipek SC, Kasal K, Saatci AO..... 1–6

Investigation of the chemical structure of silicone oil interacting with bevacizumab by spectroscopic methods: A dose recommendation
Tuncer Orhan F.....7–15

The effect of ectopic inner foveal layer thickness on metamorphopsia in idiopathic epiretinal membranes
Akmaz O, Murat Tokac G, Murat Garlı M, Kerçi SG, Aydın T..... 16–23

Opinions of Turkish ophthalmologists on telemedicine applications: A national, questionnaire-based survey
Karatas G, Karatas ME..... 24–29

Impact of obesity on ocular parameters: A comparative study of normal-weight and obese adults
Durmaz Engin C, Karaca D, Ozturk T..... 30–36

A retrospective overview of the scientific researches of Turkish female ophthalmologist scholars: Is there any gender discrimination?
Er A, Gobeka HH, Ethem Ay IE, Dogan M..... 37–41

Surgical approaches to juvenile open-angle glaucoma
Un Y, Imamoglu S, Alpogan O, Bolaç R, Yıldız MB..... 42–50

Evaluation of selective laser trabeculoplasty effectiveness in cases with pseudoexfoliation glaucoma and ocular hypertension
Ozturk H, Ozen B..... 51–56

Efficiency of web-based code-free artificial intelligence platform in classification of vitreomacular interface diseases
Kirik F, Ozbas C, Ekinçi Aslanoglu C, Koytak IA, Ozdemir H..... 57–62

The influence of chewing gum activity on tear production: A prospective study of anterior segment optical coherence tomography
Ozturk H, Aytogan H, Ayintap E..... 63–67

Evaluation of ocular surface and corneal parameters in face mask users
Ulusoy DM, Bayraktar Bilen N, Sarıcaoglu MS..... 68–73

The grievances of medical supervisors against medical residents
Khaqan HA, Naz R, Rehman AU, Hassan L, Akram N, Farooqui HM, et al..... 74–79

The effect of steep axis incision on astigmatism in cataract surgery
Ozen K, Demirtas AA..... 80–84

Comparison of costs of bevacizumab, ranibizumab, and aflibercept in loading dose administration for diabetic macular edema treatment: Observational cost analysis
Boz AAE, Celik E..... 85–89

REVIEW

Anesthesia for ophthalmic surgery
Sahutoglu C..... 90–102
